Dear Valued Business Owner,

We are writing on behalf of the Early-McLoughlin School of Irish Dance. We will be having our annual dance on February 4, 2012 at the Pearl River Elks Club in Nanuet, New York. One purpose of this dance is to raise travel funds for our championship dancers who compete in national and international competitions. Funds generated also benefit beginner, novice and prizewinner dancers as well. Support of these students helps to continue the preservation of and education about Irish culture. We are seeking the support of local businesses for prize donations for our raffle. Monetary donations or gifts of products or services that your business provides would be so very appreciated. We will, of course have signs posted thanking many businesses that so generously helped to support us. Any donation would be welcomed to make our evening a success. Please feel free to contact us to arrange for donation pick up or to answer any questions.
